Introduction

Daryl De Leon Taylor, racing as **Daryl De Leon**, is a British-Philippine professional racing driver competing at the top level of motorsport.

In the 2025 British Touring Car Championship Daryl delivered a breakthrough season securing race wins, podium finishes, pole positions and the BTCC Rookie Championship. With over 12 years of racing experience, he has earned more than 200 trophies throughout his career.

For 2026, Daryl plans to return to the series and **make history** by becoming the youngest ever BTCC Champion. This programme is designed not only to compete at the highest level and progress his career, but also to create meaningful value and growth for commercial partners.

The championship offers strong media coverage, large audiences and international reach which provides an effective platform for brands looking to grow their presence. We are now seeking partnerships with ambitious companies that share a drive for success, and we invite you to consider the following proposal.

Daryl's Timeline

2008: First kart experience at age 3

2013 to 2021: Returned to karting + 8 years of success at the highest level both national and international (Iame, Rotax, Honda Cadet)

2021: Car racing debut in Radical SR1 Championship

2022: Radical British & World Champion, GB4 Podium, X2 Asia Touring Car Podiums

2023: Overall British Endurance Champion (Porsche 911.1 Cup Car), Scholarship Winner, BTCC Debut

2024: BTCC with Unlimited Motorsport, Multiple Rookie Podiums

2025: BTCC with BMW/ West Surrey Racing, Rookie Champion, Maiden race win + podiums & pole positions, BRDC Rising Star, Porsche GB Junior Finalist

2026: BTCC with West Surrey Racing

The Opportunity

By partnering with Daryl, you will support his goal of becoming the youngest ever BTCC Champion.

With Daryl returning to race in the BTCC, partners will benefit from **strong investment value** and global exposure. There is also **long term opportunity** by partnering with Daryl, as he aims to compete in world championships and major events such as WEC, IMSA, Le Mans and Daytona.

The British Touring Car Championship represents the pinnacle of UK circuit racing, which is one of the reasons it is the most followed motorsport series in Great Britain.

Are you an ambitious business looking to grow your brand and support us as we aim to **write history** in motorsport?

The Championship

There is no better championship in the UK to boost your business other than the prestigious **British Touring Car Championship**.

The BTCC is the premier Car Racing Championship in the United Kingdom. The championship also uses **100% sustainable fuel** meaning you will be associating your brand with the one of the few eco-friendly championships available. With a grid of over 20 cars and now **40 races per season** held at the UK's most iconic circuits, the championship provides a thrilling spectacle for fans and competitors alike. At any 1 of the 10 fantastic BTCC rounds, there is an average of **38,700 + live spectators** (387,000 live spectators annually).

Associating your company with the BTCC would give your brand exposure to a large and engaged audience, as the championship attracts thousands of spectators to each race and MILLIONS more watch on television or online. By aligning your brand with this high-profile event, you will have the opportunity to reach a new audience, increase brand awareness, and enhance your brand's reputation.

The Team

Founded by **Dick Bennetts** in 1981, **West Surrey Racing** is the most successful team in the history of the BTCC and has also secured five **British Formula 3 Championship** titles. With decades of success at the highest level of British motorsport, WSR continues to be a team consistently fighting at the front of the grid.

Over the years, WSR has played a role in the careers of some of the most iconic names in motorsport, including **Ayrton Senna**, Nigel Mansell, Mika Häkkinen, Jonathan Palmer, Rubens Barrichello, and Tom Kristensen, among many others. In 2025, Daryl added his name to that prestigious list by competing in the BTCC with WSR in a **BMW**.

Looking ahead to 2026, the objective is clear: return to the BTCC with WSR and compete for the overall championship.
